Mr. Steven Carey

Dear Steven,

Thank you for your thoughtful contribution of \$390.00 to the Breast Cancer Research Foundation (BCRF) in support of the CertaPro Painters® Paint It Pink 2020 campaign. With this gift, you are enabling the world's most promising breast cancer research. We at BCRF want to recognize each individual who played a part in this great achievement, especially your dedicated team and loyal customers. We deeply appreciate all who came together to make this meaningful donation possible. Collectively, the CertaPro community raised over \$108,000!

Since BCRF was founded, research has led to lifesaving breakthroughs in cancer treatment and prevention, changing the landscape of cancer care. Your investment in BCRF is not only an endorsement of necessary science, it is advocacy for all women. During this unprecedented time, researchers need assurance that their projects will sustain, and that their progress will not be lost. Hand-in-hand with you, we remain committed to providing a lifeline for science—because while the rest of the world has had to pause, breast cancer continues to upend the lives of women, men, families, and communities everywhere.

Today and always, we are indebted to you for your generosity. As the lines between sectors continue to blur, what we always knew has been reemphasized: We are stronger together. On behalf of the patients who are living with breast cancer, the researchers who seek answers to life-changing questions, the frontline healthcare workers who bring the benefits of research to the bedside, and all of us at BCRF—thank you for your commitment to ending breast cancer.

With much appreciation,
